Purchase a new Kubota BX, B, L or MX Series tractor and add any two Land Pride implements to **RECEIVE A FREE QUICK HITCH.** Add a third implement for even more savings!™

BX Series Offer

A free Land Pride QH05 Quick Hitch worth \$495 with the purchase of any 2 Land Pride AG implements and get \$500 towards one further Land Pride implement with a new BX Series tractor.

B, L & MX Series Offer

A free Land Pride QH10 Quick Hitch worth \$968 with the purchase of any 2 Land Pride AG implements and get \$500 towards one further Land Pride implement with a new B, L & MX Series tractor.

WHAT IS A QUICK HITCH?

Make switching between Land Pride implements a breeze with the Land Pride Quick Hitch. The QH05 Quick Hitch is specifically designed for BX tractors while the QH10 is a better match for the B, L and MX Series. Spring loaded levers and automatic locks on the lower link attachment points mean many implements can be changed without leaving the tractor seat.

LAWN CARE RANGE, BUILT TO LAST

KBL31

W821SC

KHT23D

KBC26H-RS

HANDHELD BLOWER

Robust and powerful, Kubota’s handheld blower is designed to optimise your productivity. The KBL31 is powerful enough for professional users, for clearing dead leaves, cut grass or other waste. Being lightweight and simple to use also makes the handheld blower perfect for jobs around the house

SELF PROPELLED WALK BEHIND MOWERS

Heavy duty aluminium die-cast deck with reinforcement for excellent durability

4 blades are standard for fine cutting

Shaft drive rear wheel transmission that greatly reduces maintenance work compared to belt-driven mowers

Blade clutch brake stops blades quickly for added safety and allows emptying of 75L grass bag safely, without stopping the engine

HEDGETRIMMER

Well balanced, robust and reliable in design, Kubota’s 2-stroke hedgetrimmer provides an impeccable clean cut with every pass to meet the needs of professionals and home owners alike

BRUSHCUTTERS

Designed for both home owners and contractors. Powered by reliable 2-stroke engines that keep on going. Designed with comfort and safety in mind, the heavy duty, straight shaft models cushion vibrations, for increased operator comfort. Single or double handle models available, plus additional attachments to suit every application and operator

KUBOTA’S RELIABLE GENERATOR RANGE

SQ SERIES

DIESEL GENERATOR

AUTO START CONTROLLER

The Deep Sea 4520 Auto Start Controller has a large back lit screen, which clearly displays operator information in an easy-to-read manner

NEW FEATURES

Waterproof recessed button receptacles, a new emergency stop button, compliant with standard AS3000 wiring, factory tested to AS33017 and RCD for each outlet (RCBO on single phase outlets)

ENGINE

A limit switch has been added to shut down engine when door opens. A battery isolator has been added and a larger capacity fuel tank (62L > 100L), which enables 24 hours run time

BODY

All components have been recessed and a single key entry door has been added. The base has been strengthened to improve mobility

GL SERIES

COMPACT DIESEL GENERATOR

Circuit breakers and Residual Current Device (RCD) are factory fitted, offering a high level of personal protection from electrical shock

Easy maintenance (Single Side Servicing)

New Auto Start Controller (digital option only) features a large backlit screen to clearly display operator information

KD SERIES

COMPACT DIESEL GENERATOR

Compact generator for fast and reliable power
